HEALTH DECLARATION & HEALTH EXCLUSIONS

Important Declaration

Anyone named under this Policy must have read this Important Declaration and understood the terms, conditions and exclusions relating to their health and anyone else upon whom your trip depends.

This Policy contains health restrictions that apply to your cover under certain sections of this Policy. This Policy can only provide cover in respect of an accident or illness which is sudden, unforeseen and beyond your reasonable control.

Cover is excluded for any defined **Pre-existing Medical Condition**. If in doubt please call the medical screening helpline, in confidence on: **01702 427 237**

Pre-existing Medical Condition

Means:

- a) Any respiratory condition (relating to the lungs or breathing), heart condition, stroke, Crohn's disease, epilepsy, allergy, or cancer for which you have ever received treatment (including surgery, tests or investigations by your doctor or a consultant/specialist or prescribed drugs /medication).
- b) Any psychiatric or psychological condition (including anxiety, stress and depression); for which you have suffered from or received medical advice or treatment for or been prescribed medication for in the last 5 (five) years.
- c) Any **Medical Condition** for which you have received surgery, in-patient treatment or investigations in a hospital or clinic within the last 12 (twelve) months, or are prescribed drugs /medication.

HOW TO DISCLOSE PRE-EXISTING MEDICAL CONDITIONS

The medical screening helpline is optional for those persons wishing to establish if additional cover may be offered to include **Pre-existing Medical Conditions**. You will be asked for your personal and travel details. Please have your insurance policy number to hand if known.

You will be advised whether the **Pre-existing Medical Condition** may be covered, an optional additional premium may be quoted and whether any amendments will be made to the policy terms and conditions. If terms can be provided for the condition and you elect to take up the offer of the additional cover, you will be given a medical screening reference number and a letter will be sent to you upon receipt of payment. Any additional premiums must be paid directly to the medical screening helpline and not the company you are arranging your travel insurance with.

Should you not contact the medical screening helpline or not wish to take advantage of the optional terms quoted by the medical screening helpline, or if you fail to declare any **Medical Conditions**, you will not be covered for any claims arising from all **Medical Conditions** or linked conditions from a **Pre-existing Medical Conditions**.

There is no cancellation or curtailment cover for a **Pre-existing Medical Condition** of persons not necessarily travelling but upon whom travel depends, such as a **Close Relative**, unless you are able to agree to the '**NON-TRAVELLING RELATIVES**' section of this policy.

You should also refer to the General Exclusions of this Policy Document.

If you fail to declare a **Medical Condition** and the policy would have still been issued to you but for an additional premium the insurer may decide to make a proportionate settlement in line with the premium you have paid.

CHANGE OF HEALTH

If, after purchasing your Policy but before departing on your trip or booking another trip, there is a change in **Medical Condition(s)** or development of a new condition for you or anyone insured under this Policy, you must contact the Medical Screening helpline on 01702 427 237 as soon as possible.

We will assess the change in health and confirm if cover for the **Medical Condition(s)** can continue for further trips. If we can continue to offer you cover there may be a further charge applied in order to cover this change or new condition. If we cannot continue to offer you cover, you can either submit a cancellation claim if you have booked and paid for a trip that you have not yet made; or cancel your Policy and we will send you an appropriate refund as long as you have not travelled or made a claim.

If you fail to declare a change in health, claims arising from all **Medical Conditions** or linked conditions may not be paid.

NON TRAVELLING RELATIVES

You may have a **Close Relative** with a **Medical Condition** who is not travelling with you. In some cases, if their state of health deteriorates greatly, you may want to cancel or curtail your trip. Subject to all the other terms and conditions, such claims are covered if the relative's doctor is prepared to state that at the date you bought this policy, he/she would have seen no substantial likelihood of his/her patient's condition deteriorating to such a degree that this would become necessary. If the doctor will not confirm this, your claim is not covered.

PREGNANCY

Normal pregnancy, without any accompanying bodily injury, illness, disease or complication is not covered under this Policy.

This Policy is designed to provide cover for unforeseen events, accidents, illnesses and diseases and normal childbirth would not constitute an unforeseen event. Cover can only be considered where there is a complication of pregnancy or if you were unaware of the pregnancy at the time of purchasing the insurance or booking a trip (whichever is later) and you are advised not to travel by a **Medical Practitioner**.

Airlines and ferry companies have their own restrictions due to health and safety requirements so please ensure that you check with them or with any other transport provider before you book the trip. Please also ensure that your **Medical Practitioner** and midwife are aware of your travel plans, that there are no known complications and that you are not travelling against any medical advice.
