YACHT COURSE INFORMATION

WHAT TO BRING?

We suggest you pack the following:

For Practical Courses

- Fleece top, gloves, hat, scarf, thick socks, comfortable trousers / tracksuit, deck shoes / sailing boots or non marking trainers, neck towel or small towel to stop drips. We do not recommend jeans as they take a long time to dry.
- It is much warmer to wear multiple thin layers than one thick layer. Hopefully, you will have good weather and if you do get sunshine we advise you have a hat, sun cream, shorts and T-shirts.
- **Please note that all personal items are brought at your own risk. You may also want to bring your own waterproofs or hire some from us at £10 per day. For hygiene reasons, we do not hire out sailing footwear.**
- **PLEASE NOTE** Sunsail only provides life jackets suitable for adults or older teenagers. Waterproofs for hire come in a range of adult sizes.
- **For people on Yachtmaster Coastal/Offshore prep week, you will need a log book showing past experience and two passport sized photographs for your examination. Please ensure you bring the correct exam fees for each course. These are payable direct to the RYA examiner, not Sunsail.**

RYA Practical Day Skipper and RYA Coastal Skipper certificates:

To get your certificate you will need to bring a passport size photo and a photo ID, such as a passport or driving licence.

PLEASE NOTE

You cannot be issued your certificate without both of these items.

Shore-based Courses

- Please bring pens, pencils, eraser, calculator, dividers and a Bretton Plotter. A Bretton Plotter and divider pack is available to buy from us at a cost of £22.00 + £1.50 p&p or can be collected on arrival.
- Don't worry about being overworked though – there'll be time for coffee breaks throughout the day. There are various places to get lunch at Port Solent and a supermarket close by or you can bring a packed lunch.

ACCOMMODATION

- You will be sleeping on board in shared cabins.
PLEASE NOTE – We do not provide bedding so please bring your own sleeping bags, pillows and towels.
- Please bring your things in a soft holdall as there is limited storage on board the yacht.

- We are able to offer accommodation on board our yachts, subject to availability. Please ask us for further information or, if you would prefer, you can arrange your own accommodation. Subject to an additional charge.

CATERING ARRANGEMENTS

SUNSAIL – RESPECTING DESTINATIONS

Sunsail is committed to protecting the environment we operate in. Over the years you have helped us in this endeavour. Please continue to assist us by leaving our sailing areas as good as or even better than we found them. You can do this by:

- Managing your sewerage by always using the pump out facilities in marinas where available. Otherwise, please avoid emptying tanks in busy anchorages and marinas and prevent contamination to humans and reefs by pumping out as far as possible offshore.
- Washing off your anchor when leaving an anchorage. Your yacht is equipped with low phosphate washing up liquid, please use this and keep the bottle so that it can be refilled.
- Separating your waste and recycling on-board as much as possible.
- Avoiding pumping oily bilge water or other hazardous substances into the sea – save these for safe disposal in a marina pump out facility.
- Being litter conscious by never throwing rubbish overboard and avoiding using plastics and other non-biodegradable products.
- Observing marine law, and knowing the laws that govern fish catch sizes and the touching and handling of marine wildlife.
- Remembering to keep a safe distance from marine life, and if viewing, approach side-on and stop with propellers in neutral.
- Identifying dark water areas as possible important ecosystems, and taking care if navigating them.
- Keeping sealife in mind when mooring. Using buoys where available instead of anchoring.

Sunsail adheres to the British Standards Institute (BSI) to international level for sustainable event management.

We hope that this guide will help you get the best out of your course and your time spent in Port Solent. If you have any further queries, please call the team at 0239 222 2221.

We hope that you learn to love sailing as much as we do here at Sunsail.
